

CURBSIDE

WASTE MANAGEMENT

1-800-847-5303

2009 / 2010

A Newsletter on Recycling and Solid Waste for the Town of York, Maine

Dear Resident,

We are pleased to provide you with the following information in order to better serve you and assist you in your recycling efforts. We encourage you to recycle as much as possible using the guidelines we have provided. By increasing recycling the Town of York will save valuable funds by reducing its total solid waste tonnage and associated disposal fees.

Curbside Collection Program Guidelines

- Weekly curbside collection of residential solid waste and bulk items
- Bi-weekly curbside collection of recyclables (Please see enclosed calendar and recycling guide)
- Solid waste and recycling must be placed curbside by 7am on your collection day.
- Please call Waste Management at 1-800-847-5303 to schedule bulk waste collections. Once a collection is scheduled you may include bulk items along with your normal household trash including: furniture, small appliances, lumber (4 foot bundles not to exceed 50lbs), household windows and doors (glass taped and NO picture windows). PLEASE NOTE: Bulk item collection may not be available on some streets due to accessibility issues.
- DO NOT mix recyclables with solid waste. Drivers are instructed not to collect commingled solid waste and recyclables and such items will be tagged.

The "Recycling Guide" located on Pg.2 of this newsletter will provide you with detailed information on the preparation and separation of recyclable materials, as well as a list of items with CANNOT be collected with recycling.
