GUIDELINES FOR PUBLIC PARTICIPATION

(Excerpted from York School Committee Policy BEDH – Public Participation at School Committee Meetings)

Although School Committee meetings are not public forums, the School Committee will provide appropriate
opportunities for citizens to express opinions and concerns related to matters concerning education and the
York School Department schools. The intent is to allow a fair and adequate opportunity for the public to be
heard and to provide adequate time for the School Committee to obtain information and opinion on subjects
before it, while ensuring that the time allowed for public discussion does not interfere with the fulfillment of
the scheduled agenda.

A. York citizens and employees of the York School Department are welcome to participate as provided in this
   policy. Others may be recognized to speak at the Chair’s discretion. Individual employees and/or employee
groups will not be permitted to discuss matters for which complaint or grievance procedures are provided.

B. The Chair may limit the time allotted for comments on a particular topic as well as the time each individual
   may speak.

C. In the event of a sizable audience, the Chair may require persons interested in speaking to sign up so they may
   be called on in a fair and efficient manner.

D. During the time set aside for public participation, the Chair will be responsible for recognizing all speakers,
   who must identify themselves as they begin talking.

E. Speakers are not permitted to share gossip, make defamatory comments, or use abusive or vulgar language.

F. All speakers are to address the Chair and direct questions or comments to particular School Committee
   members or the Superintendent only with approval of the Chair. Requests for information or concerns that require further research may be referred to the Superintendent to be addressed at a later time.

G. Members of the School Committee and the Superintendent may ask questions of any person who addresses the
   School Committee but are expected to refrain from arguing or debating issues. Questions must be addressed
   through the Chair.

H. No complaints or allegations will be allowed at School Committee meetings concerning any person employed
   by the school system or against particular students. Personal matters or complaints concerning student or staff
   issues will not be considered in a public meeting but will be referred through established policies and
   procedures.

I. In order to make efficient use of meeting time, the School Committee discourages duplication or repetition of
   comments to the School Committee. The School Committee requests that groups or organizations be
   represented by designated spokespersons.

J. The Chair has the authority to stop any presentation that violates these guidelines or the privacy rights of
   others.

K. Persons who disrupt the meeting may be asked to leave, and the Chair may request law enforcement assistance
   as necessary to restore order.
