AGENDA

York Budget Committee

October 27, 2025

7:00 p.m., York Library

1. Call to Order
2. Pledge of Allegiance
3. Approval of September 2025 minutes
4. Public Comment
5. Water District Visit
6. Liaison reports
 - a. School
 - b. Town
 - c. Community Center
7. Updates on Old business
8. New Business
 - a. Capital committee schedule update
9. Adjourn

Upcoming Meetings

2:30 pm Monday, November 17 & Tuesday, November 18 – YSD Building Tours

7 pm Tuesday, November 25 Budget Committee Meeting

2 pm Thursday, December 4 DPW Visit

7 pm Tuesday, December 16 Budget Committee Meeting – *note third Tuesday*

FY27-FY31 Capital Program Meeting Schedule – (as of 09/15/25)

All meetings 12:30PM – 2:30PM – Community Meeting Room @ York Public Library

Tuesday October 28th – 12:30PM – 2:30PM

- School Consolidation

Thursday October 30th – 12:30PM – 2:30PM

- Community Center

York School Department (YSD) Budget Committee Liaison Report (October 2025)

General Budget Updates

- See attached documents for **SEPTEMBER** end of month spreadsheets – progressing as planned (year over year shows patterns are the same); September is the first full month of paying out salaries (why you see a jump in expenditures compared to July and August)
 - Reg Ed transfer (within legal limits) to cover slightly higher than expected bill from Sanford Regional Tech bill (approved FY26 budget was \$20,000 – level from FY25; actual bill for FY26 slightly over \$25,000); looking across Career & Tech line item from FY21-FY26 this line item has more than doubled in a 6 year time span (if people are interested in why costs there have increased, even though it is a relatively TINY percentage of the overall budget, might be a good thing to ask about during budget season)
 - Reminder Rick also gives financial updates to School Board at their meetings, available to watch on Town Hall Streams
 - Reminder that the FY25 unaudited unassigned fund balance of \$2,672,145 is being used to populate (voter approved) reserve accounts for FY26; after that happens, there will be an estimated FY26 unaudited fund balance of \$472,145

In-Progress Capital Projects Updates

- We did not have open capital project updates at this meeting. Instead, we held this meeting at Village Elementary School and after reviewing the monthly numbers, took a quick tour of the Pre-K space. VES Principal, Jay Delahanty, discussed a long-term vision for integrating the very successful PreK program more holistically into district. (We are a PreK-12 district now, not a K-12). Jay has experience doing this already in a previous position he had in another district. For example, he mentioned that additional space modifications will be needed if the PreK program stays at VES – or moves elsewhere (e.g., in-classroom bathrooms), continuing special ed supports for early intervention that improves student outcomes (and reduces costs for intervention/supports later), considering ways to do fieldtrips for community integration, etc. Jay discussed how in his budgeting process he is trying to balance immediate needs vs. long term needs. Also mentioned that it is important to keep in mind when we see budget numbers for PreK that because PreK is still a relatively new program any proposals will appear as inflated in year over year comparisons (set up costs).
- Next month, the plan is to do the liaison meeting at CRES to review the monthly numbers but also focus on building-specific issues there re: budgeting.

Other Updates

- **Community Outreach:** brief brainstorming among the attendees of the liaison meeting of how YSD might do more community outreach to share all of the great things they feel they are doing in their buildings and programs (i.e., “the people and work being done behind the budget”)
- **School Consolidation:** Several recent informative presentations at School Committee meetings that I would encourage people to watch on Town Hall Streams to stay informed about the process. Expecting projected numbers/costs for the options they are considering soon.
- **Building Tours:** coming up! (11/17 & 11/18)
- **Capital Planning Season:** YSD made initial capital planning proposal in a recent meeting (preliminary); second capital planning meeting coming up focused on school consolidation that people can be on the lookout for

* Code is 100% funded from building permit fees in FY26. Those permit fees are transferred in to the extent of expenses at year end.

Liaison Report for 10/28/2025 prepared by Adam Gould

Town Finance Director Wendy Anderson and I met on , 10/22/2025 at York Town Hall to review July 2025 Town of York financials. There are not yet any final updates FY 2025 as several invoices remain to be collected and paid. July 2025 is the first month of the FY 2026 budget.

July Revenues

FY 2026 Is largely on track through July. State revenue sharing has come through a little lower than it did for the same month last year by almost \$3,000 and Rural Roads has yet to post any revenue.

Both excise taxes are on track. Percentagewise, boats are significantly lower than vehicles due to the seasonal nature of watercraft registrations.

As discussed in previous meetings, parking meter collections has been a challenge due to the lack of parking kiosks and also adopting the app-based payment system. Parking kiosks were installed during the third week of July, and that revenue has started to come in. There is an additional \$27,000 of parking kiosk revenue from the last ten days in July which is not reflected in the attached reports.

Parking ticket revenue is also much lower than it was at this point last year. (\$29,365 in July 24 vs \$6,575 in July 2025)

From YPD:

"It's multiple factors and Chief Davis have been in contact with TM about this as it was expected. Kiosks were not in on time. Now that they are being able to pay kiosk, kiosk with cash and pay app means easier to pay so less violations. And CSOs were told to give warnings and assist people with paying when we had cell service issues. It's really a combination of multiple factors."

Real Estate Interest appears to be off but will self-correct due to report timing.

Other revenues are where they should be. Not all revenues have reported, so the report looks a little out of sorts.

The Miscellaneous revenue is as follows:

Veteran's Exemption	\$ 9,072.00
Bad Check Fees	\$ 30.00
Storm H20 Water Fees	\$ 150.00
In Lieu of Taxes	\$ 6,972.00
Misc - unclassified	\$ 489.00
	\$ 16,713.00

July Expenditures

July expenditures also appear to be on track. The Harbor Management budget reflects the \$20,000 reimbursement from the Harbor Board, and the Police, Parks and Rec and Public Works reflect a \$75,520 reimbursement from the Ellis Park Trust.

PD	\$ 35,439.36
Parks	\$ 11,399.44
DPW	\$ 28,681.13
	\$ 75,519.93
Harbor Board Reimbursement to Harbor Master Budget:	
	\$ 20,000.00

Insurance costs always appear to jump at the beginning of the fiscal year; this is due to the timing of the billing cycle and will self-correct throughout the year.

The Health Officer position has been brought in-house, which has created a bit more of an upfront cost vs the past expense of outsourcing the role to YCSA.

Respectfully Submitted,

Adam Gould
