To the York Budget Committee:

The Parks and Recreation Board has been provided a detailed update of the proposed Parking and Restroom Capital Improvement Project at Mt. Agamenticus. We are aware of the increase in visitor use at Mt. Agamenticus, and the subsequent need for improved infrastructure that is designed to meet the increased demand, address public safety, and aid in the protection of the water shed.

The Parks and Recreation Board is in support of the Parking and Restroom Improvements. We endorse the inclusion of this project in the FY21 Capital Budget.

Respectfully Submitted,

Skip Hartwell, Chair
Parks and Recreation Board
