

Energy Steering Committee Final Report

Intended for:

- Selectboard
- Climate Action Committee
- Town Manager, Planning and other Town staff
- New residents
- General public

Tone: ESC has provided service to Town for 10 years, time to transition to CAC and convey our thanks to the many people who volunteered and collaborated on the work

Purpose: Historical record of accomplishments; institutional memory and insights for next phase

Report format: Ring binder + electronic file stored somewhere on web

Table of Contents
