

York Recycling Committee Agenda

Monday, January 12, 3:00 PM

Wheeler Room, York Public Library

Call to Order

- Confirmation of quorum
- Introduction of attendees

Approval of Minutes

- December 8, 2025 meeting notes

Public Comment

Report from Environmental Planner - *Taylor Maguire*

- Waste ordinance and regulations
- Decisions related to automated MSW and recyclables collection, including: street service, tote sizes, bulky waste pick up, recycling old containers, educating residents

Recruiting New Committee Members

- Sentinel advertisement and response
- Other recruitment strategies

Report to the Selectboard

- Objectives
- Timeline

Old Business

Brief reports and comments on timely items, as time allows:

- Casella app
- MSW and recyclables collected: costs and quantities
- Food waste diversion
- Climate Action Fair and other tabling opportunities
- Extended Producer Responsibility (EPR)
- Citizen education (e.g., “reduce, reuse,” “what goes where?”)
- Municipal and commercial recycling
- York modeling sustainable practices
