Discussion:

Ashley from Mr Fox composting provides compostable BPI certified items. They keep all inventory at their Long Sands Plaza location and deliver on Tuesdays. The brands they carry are VegWare, EcoWare, and World Centric. She will bring items to our information session on 1/23/24 from 5pm-7pm.

Ordinance:

BPI vs CMA- keeping both as definitions of approved certified Third Party Certifiers. Both use ASTM standards but different levels of ASTM standards. VegWare, EcoWare and WorldCentric per Ashley at Mr Fox are BPI certified.
