Acceptance of Minutes from last meeting of November 16, 2021: Motion made by Maxine Brown, 2nd Carollyn Anderson

OLD BUSINESS: Greg Fyfe updated the reconfiguration of the Resource Manual. Effort to reconfigure pinwheel style was unsuccessful without IT support. He reports that between YCSA and York Hospital they support 80% of current needs. Decision was made to engage Diana Janeto's help with placing the manual so that it can be accessed through the Town of York Website. The goal will be to have it under several different search engines so that it may be accessed quickly by the user. Discussion took place as to place under Departments – Committee/ Services ultimately when available, user will be able to click into Service of interest and it will take them directly to the page with agencies contact phone/email connections to complete goal. Each support agency will receive the resource manual and as updates or changes occur they will notify this board so a meeting can occur to advance corrections, changes, or additions. Greg F. mentioned a webinar @ York Hospital to have the resource manual added to their online system. Debbie Meyers reports that she will handle the SOS board in town.

Debbie Meyers reported that our request for a budget has been presented to the Budget Committee and it will be voted on at the May town wide vote. This is not an item that the selectmen approve.

NEW BUSINESS: Debbie Meyers states that she is trying to get all meetings completed in February. SOS is very interested in working with this committee. SOS has been invited to our SCAB meeting in the future.

Boston Post Cane: Debbie Meyers asked Steve Burns for commitment each and every year for the honoring of the recipient of the Boston Post Cane, to be held in March. He gave his full support to this honor.

Debbie Meyers states that she will call a short meeting in February with Maxine Brown, Carollyn Anderson, and herself to review applications received for the Boston Post Cane, probably the 2nd week in February.

Debbie Meyers asked for a volunteer Historian to safeguard the work of this committee. Dave McQuade committed that he would work to ensure its preservation. He will meet with the secretary for a smooth transition in near future.

Honorable Recognition: At this time, Town Manager Steve Burns read and presented Carollyn Anderson a plaque outlining her service not only to this board, but to the Senior Center for the Town of York for her many, many years of work and dedication.
