1. Budget Overview 2023

The sales from the Gift Shop cover all the expenses with any remaining balance going to the Capital Reserve Account. Robin will be presenting the budget to the Budget Committee on January 27th.

2. Sohier Park Master Plan

- Robin is still waiting to hear back from Richardson's and Associates for a cost of updating the Sohier Park Master Plan.

3. Scavenger Hunt at Nubble

- Diane and Sue will meet with Matt, Robin and Ryan to discuss details regarding the Scavenger Hunt. If all goes well we would pilot the program this spring and make any adjustments for summer months.
