**Strategies—elevations from “consider” to “action”      Kathleen Kluger**

The Steering Committee reviewed strategies they suggested could be elevated. After discussion, they voted on whether wording should remain the same or if certain strategies should be elevated to become action items.

**Delivery of the new Comprehensive Plan to the Planning Board**

On Thursday, April 28, at 7:00, the Planning Board will host CivicMoxie and SC during a regular workshop. The entire meeting will be devoted to the presentation of the Comp Plan. It will take place in-person at the Library.

**CompFest II**

CompFest will take place Thursday, May 12, at the High School. Posters will be placed throughout the gymnasium showing topics, goals, and strategies. Committee members should adopt a topic they would like to represent.

If approved, 7,500 postcards can be sent out for about \$2,800 and would invite registered voters to CompFest II.

**Next Steps**

The Steering Committee chose Cover Option 2—the logo on a blue background.

Between now and April 26, the CPSC will

1. Review the layout for Chapter 6,
2. Review the draft of Chapter 7,
