Topics Discussed:

1. **Signage and road marking:** Three foot law, Share the Road, Sharrows, and Bikes May Use Full Lane signage: The Committee will continue to work with Public Works and Maine DoT to formalize agreements and install signage and road markings. Dave will work with DPW to revise the signage map detailing where signs will be placed. Once complete, DPW will request signs from Maine DoT.

2. **Committee Schedule:**
   There were no Committee meetings in July.
   The Committee will return to meeting on the first and third Wednesday of the month.
   The September 18 meeting will consist of a site visit to the Davis Property and the land behind the First Parish Church. The focus of the walk will be on existing and proposed trails.

3. **Family Ride:** The Committee will work towards hosting a family ride in conjunction with York Parks and Recreation and the York Police Department. The Committee will obtain the necessary permit with Selectman approval to host the family ride in the spring of 2020.

4. **Season Worker Program:** On June 24, Dave participated with Detective Jamie Robie in educating seasonal workers about bicycling and walking safety, especially rules of the road and visibility at night. Seasonal Workers were provided reflective snap bands to improve safety while waking or riding at night. Dave also distributed front and rear bike lights from the discontinued York Diversity Forum Seasonal Worker Bike Program.

5. **Future Initiatives:** The committee will consider distributing safety vests and/or front and rear bike light sets for wide distribution and/or sale in York. This will involve collaboration with Town, School, non-profit organizations, and other bicycle and pedestrian safety advocacy groups.

6. Minutes were approved for June 19 meeting and will be submitted for posting on the York Town web site.

**Next Meeting:** August 18, 2019 at 1:00 at the York Public Library.

**Agenda:**

Update on recent and future road and sidewalk improvements from DPW.
Update status of signage and road marking efforts.
