

## Use of York Recreation Facilities & Properties

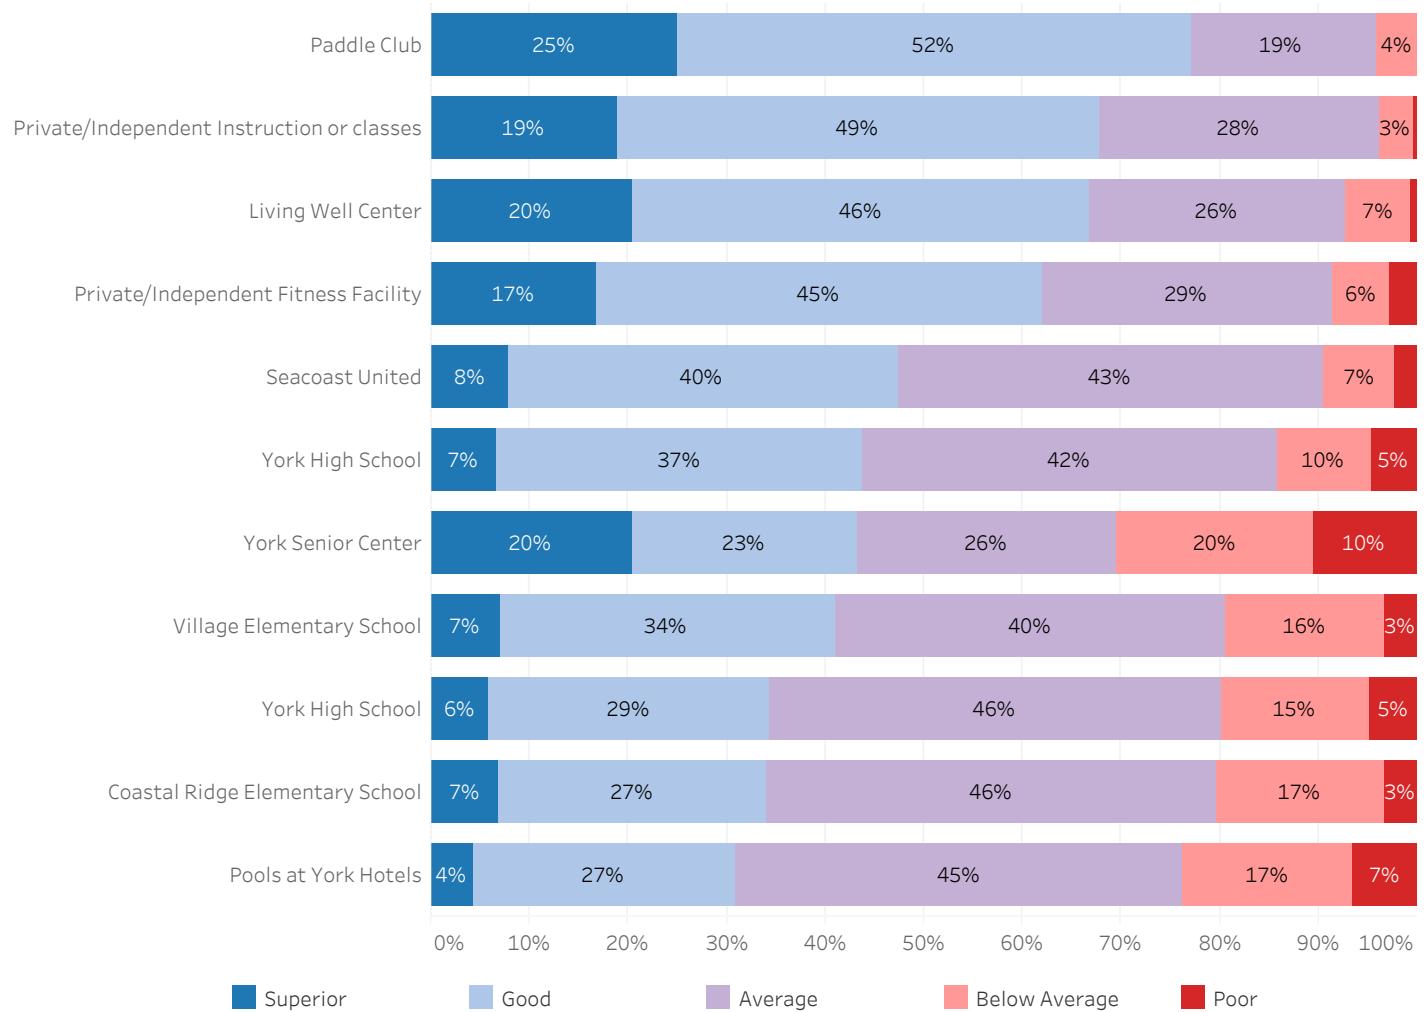

## Use of Out-of-Town Recreation Facilities

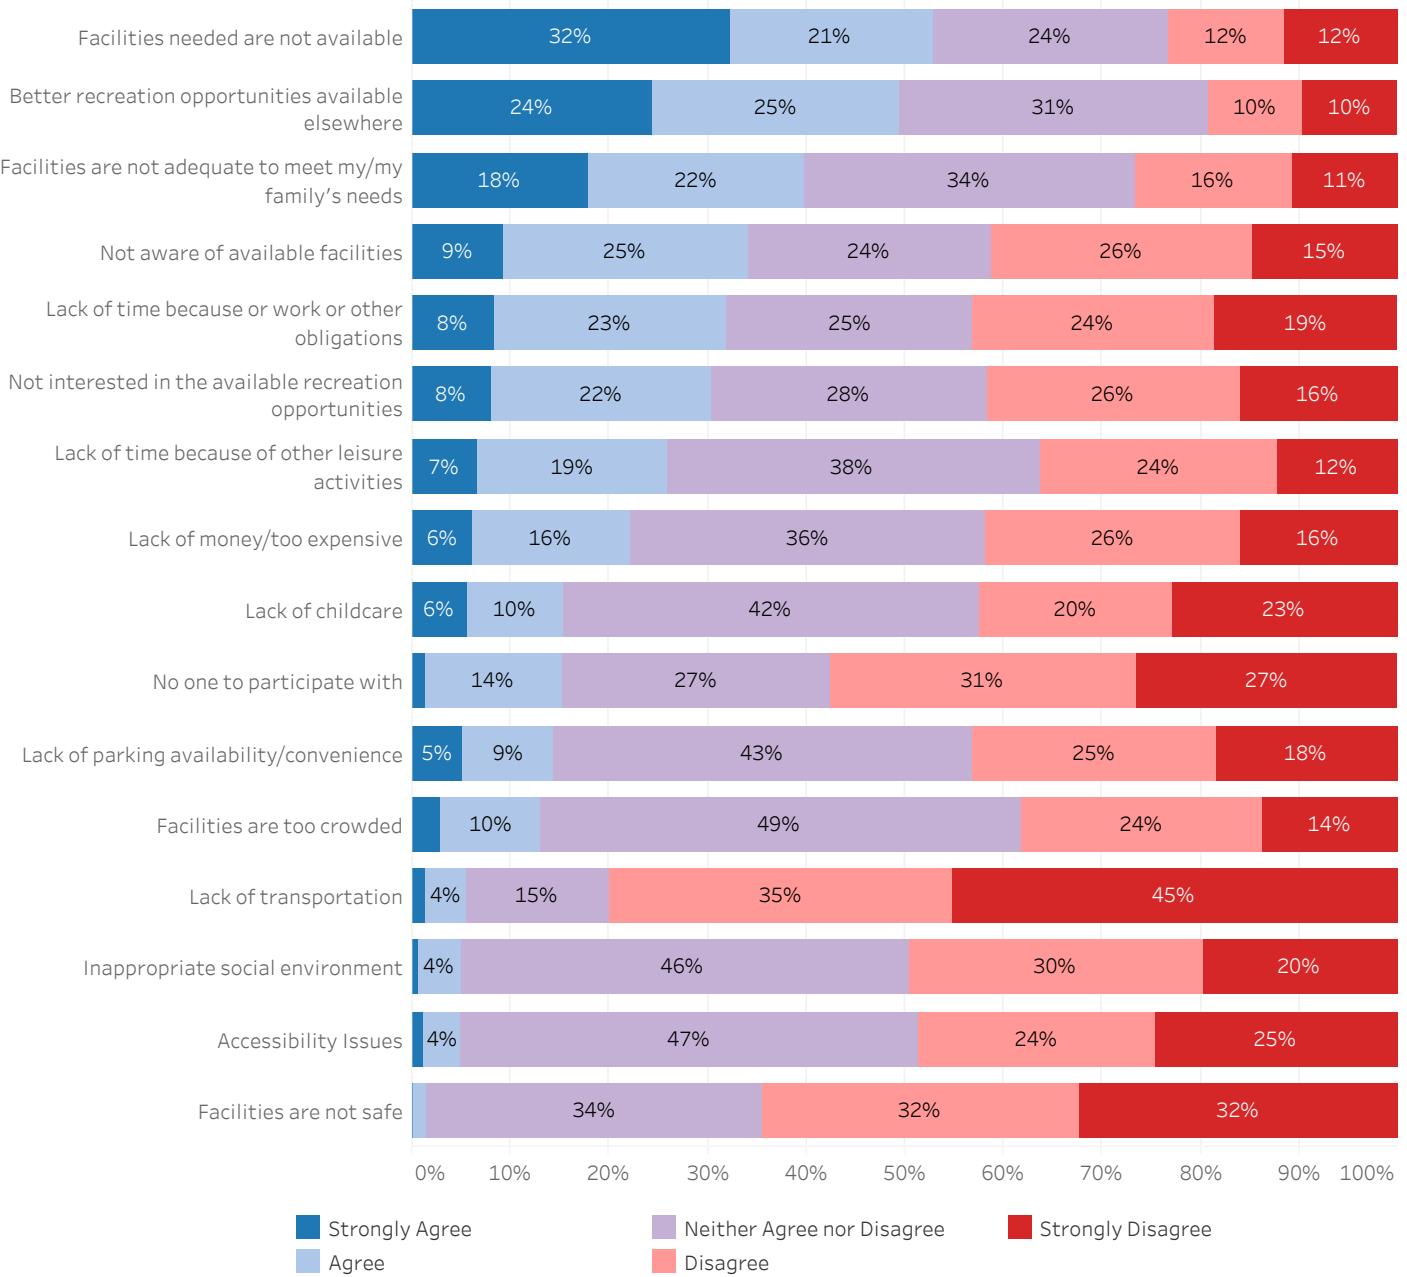

## Evaluation of the Quality of York Recreation Facilities & Properties

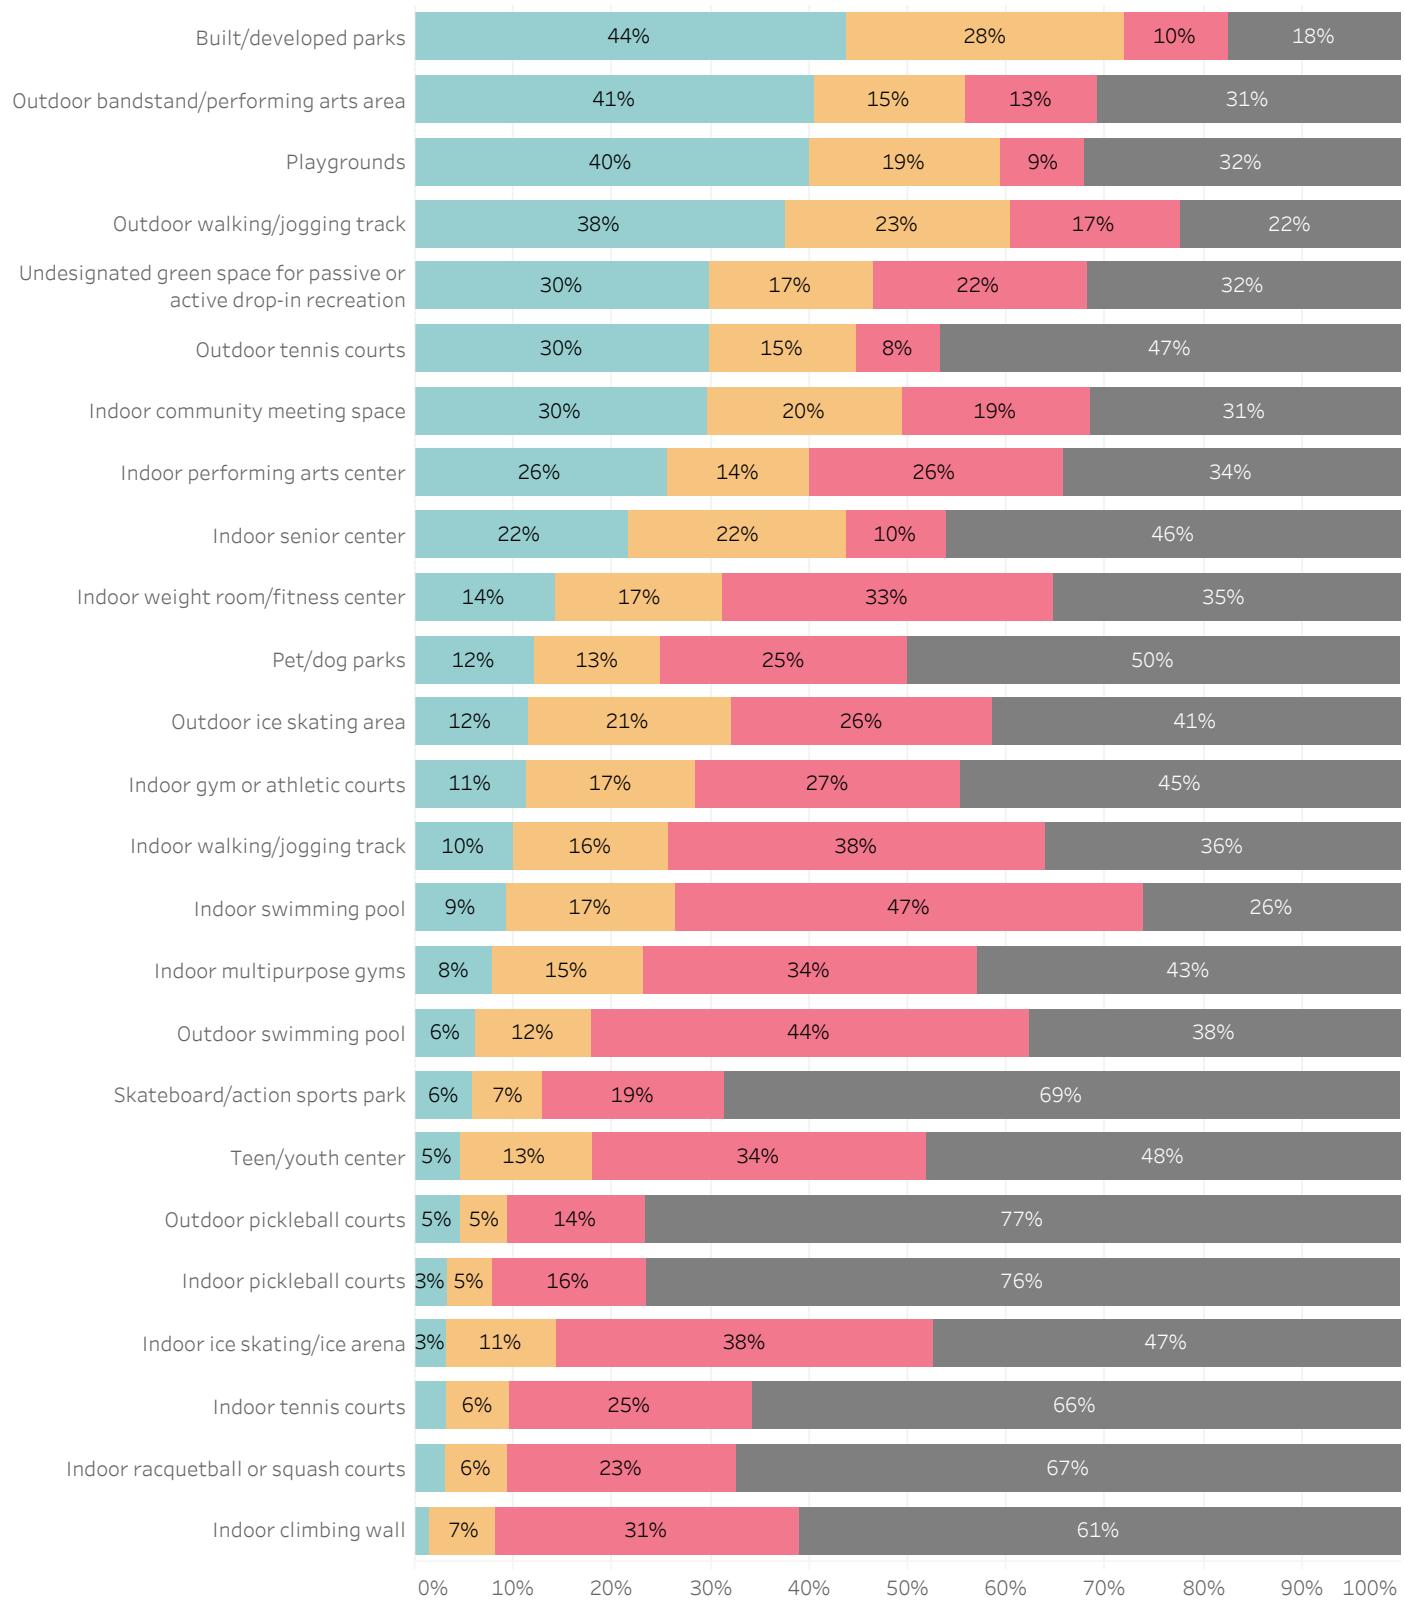

Don't Use/Unable to Judge Excluded

## Participation Constraints

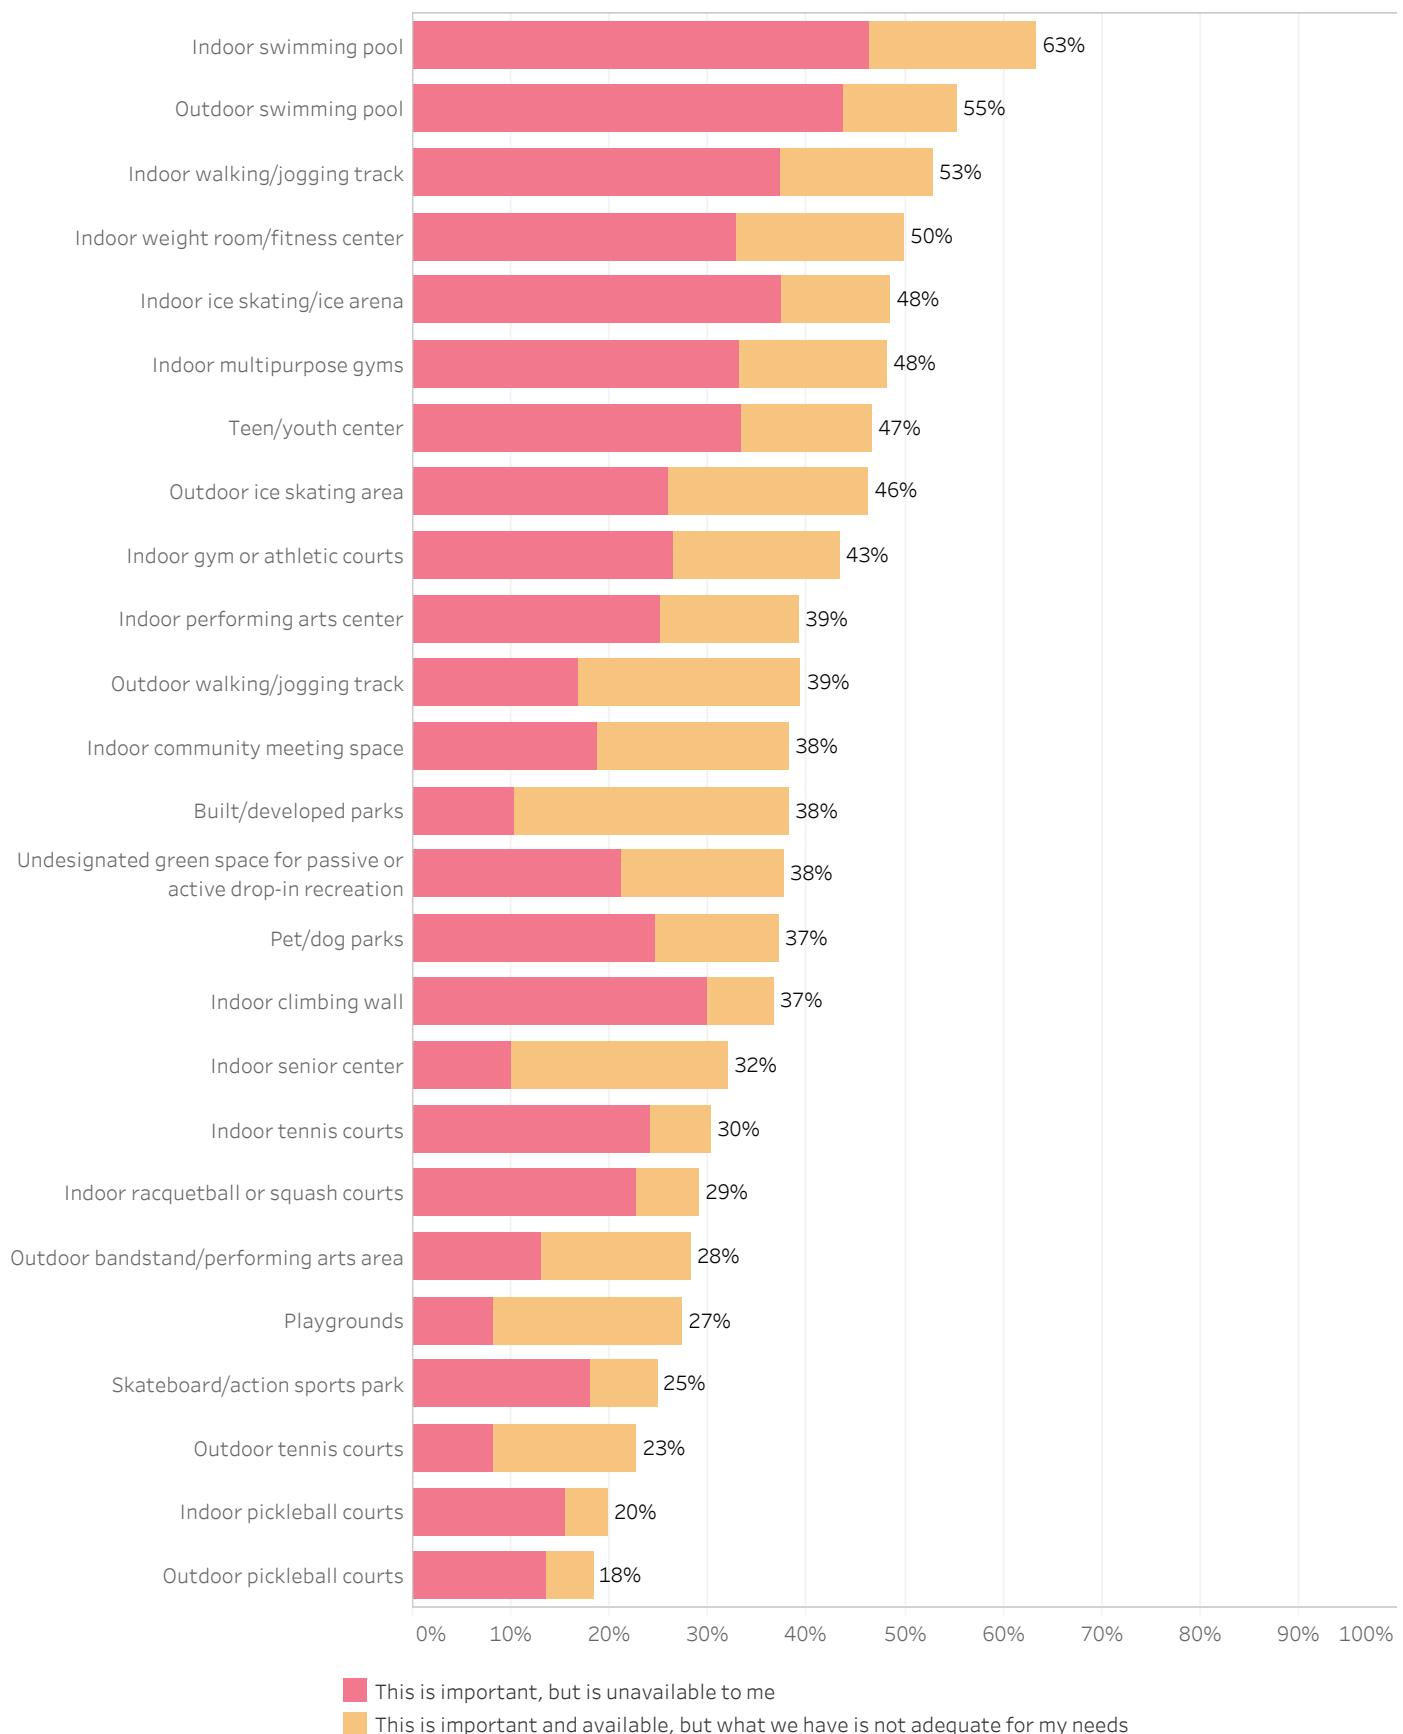

## Evaluation of Recreation Facilities/Amenities

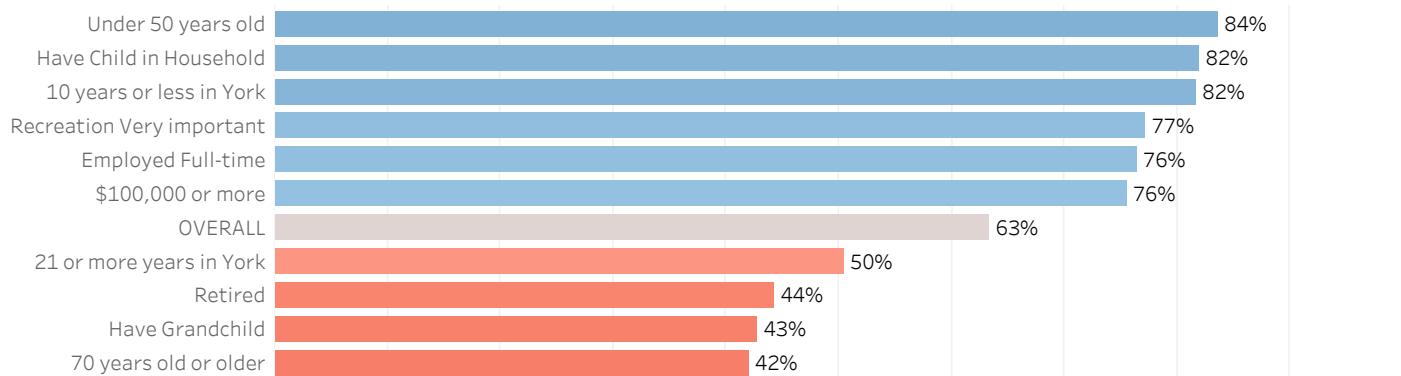

- This is important, available, and what we have meets my needs
- This is important and available, but what we have is not adequate for my needs
- This is important, but is unavailable to me
- This is not important to me

## Evaluation of Recreation Facilities/Amenities - Important But Not Adequate & Important But Not Available

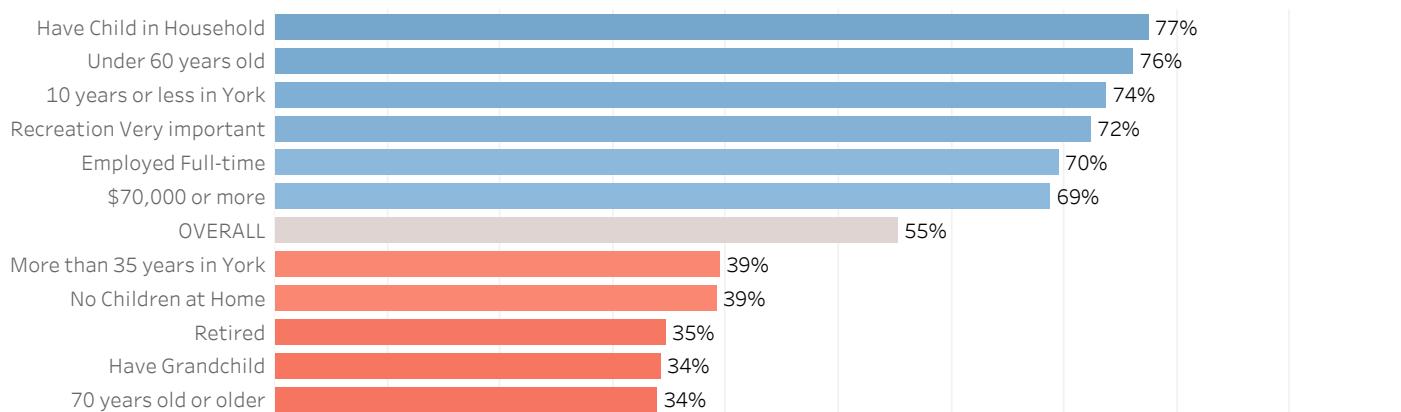

## Important But Not Adequate or Important But Not Available Recreation Facilities/Amenities - By Selected Demographics

### Indoor Swimming Pool

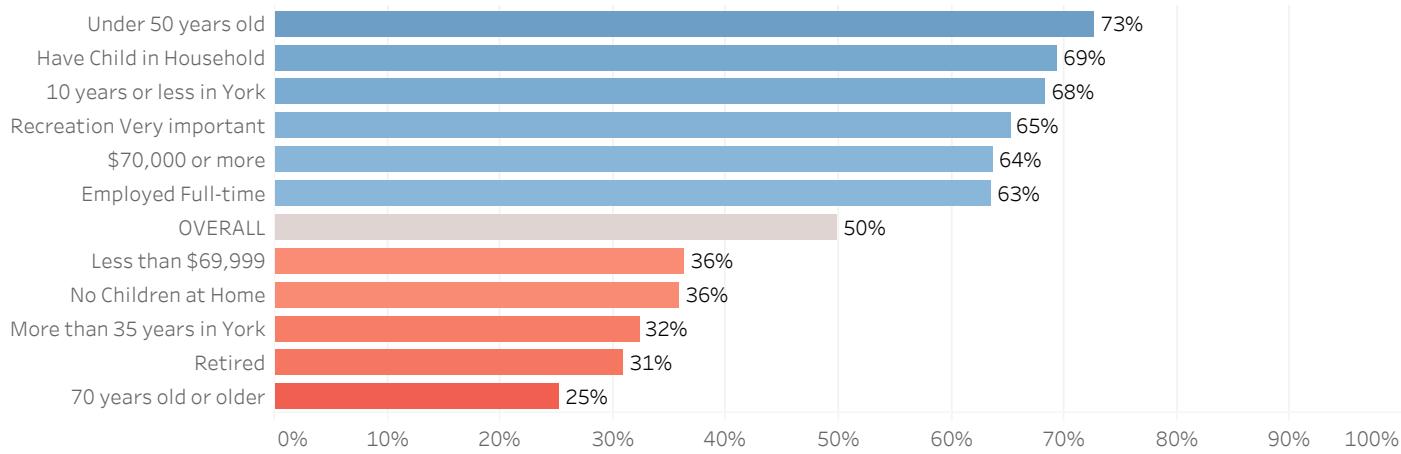

### Outdoor Swimming Pool

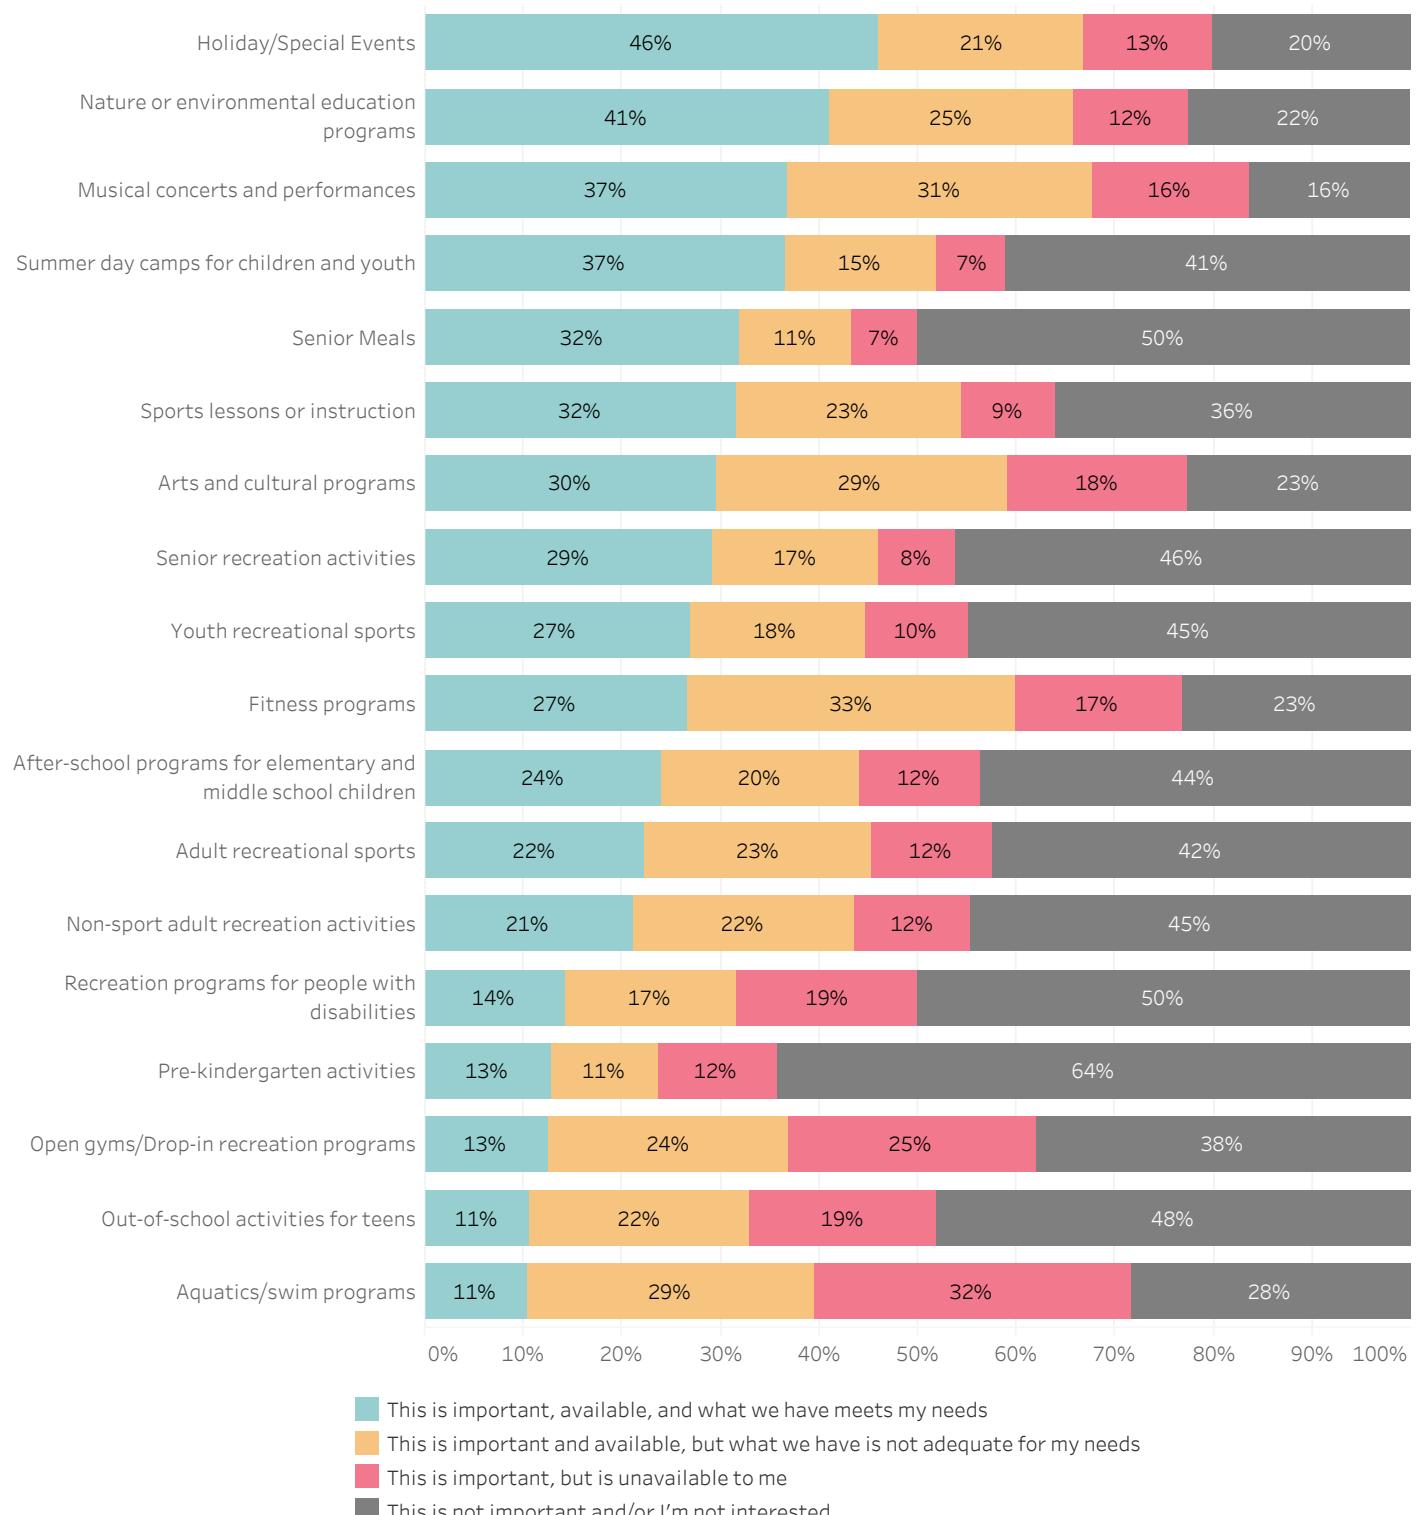

### Indoor Walking/Jogging Path

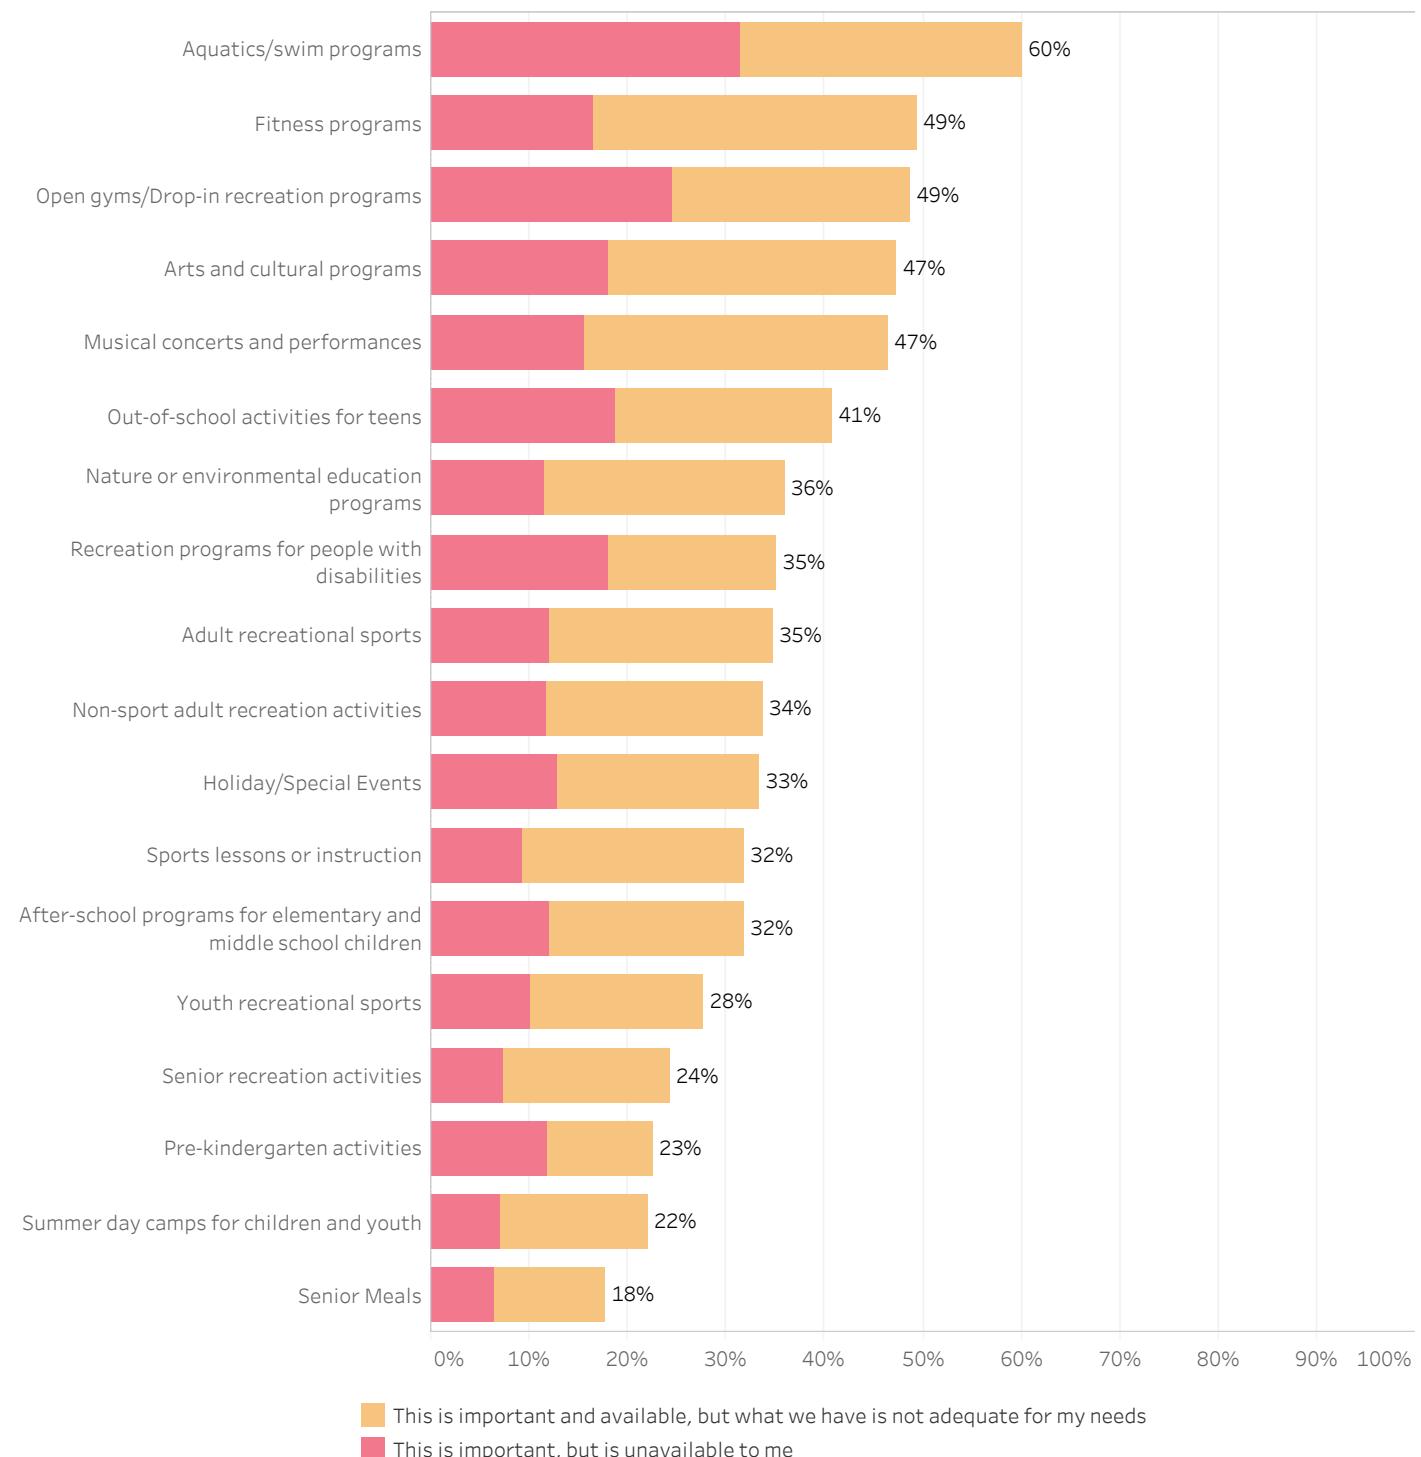

### Indoor weight room/fitness center

## Evaluation of Recreation Programs and Activities

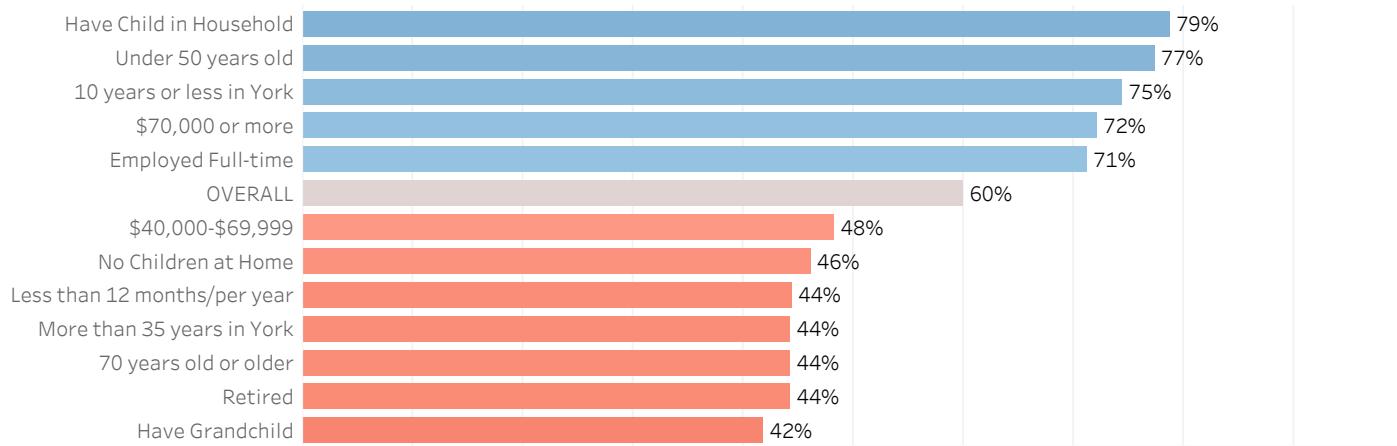

## Evaluation of Recreation Programs and Activities

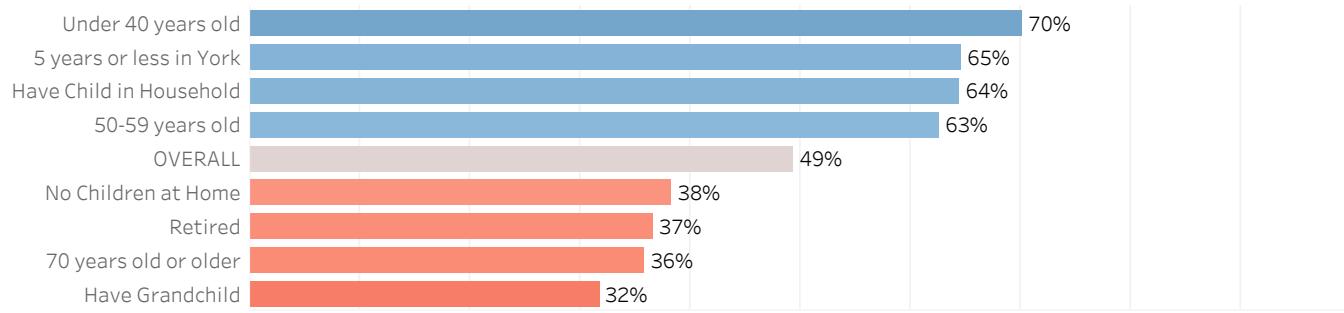

## Important But Not Adequate or Important But Not Available Recreation Programs/Activities - By Selected Demographics

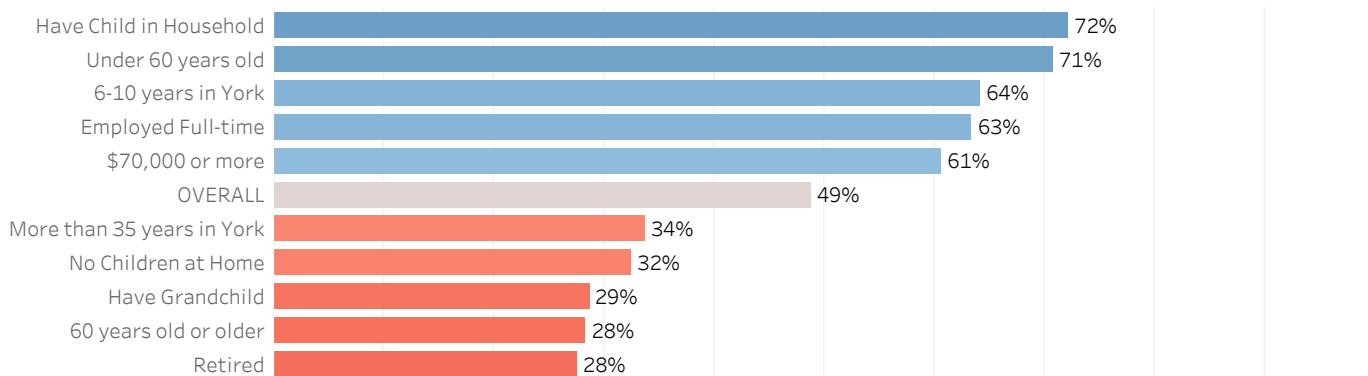

### Aquatics/Swim Programs

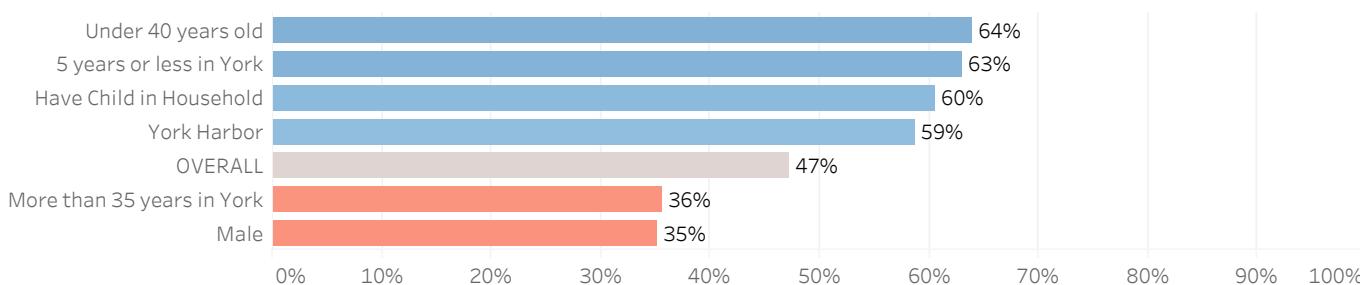

### Fitness Programs

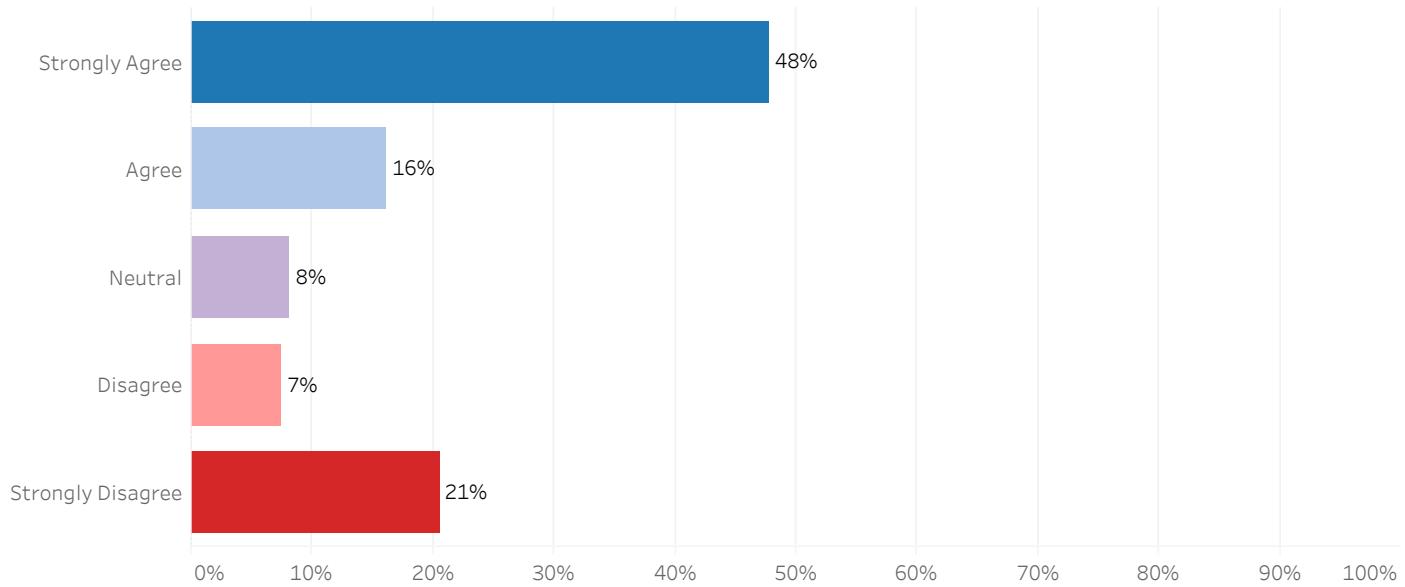

### Open gyms/Drop-in recreation programs

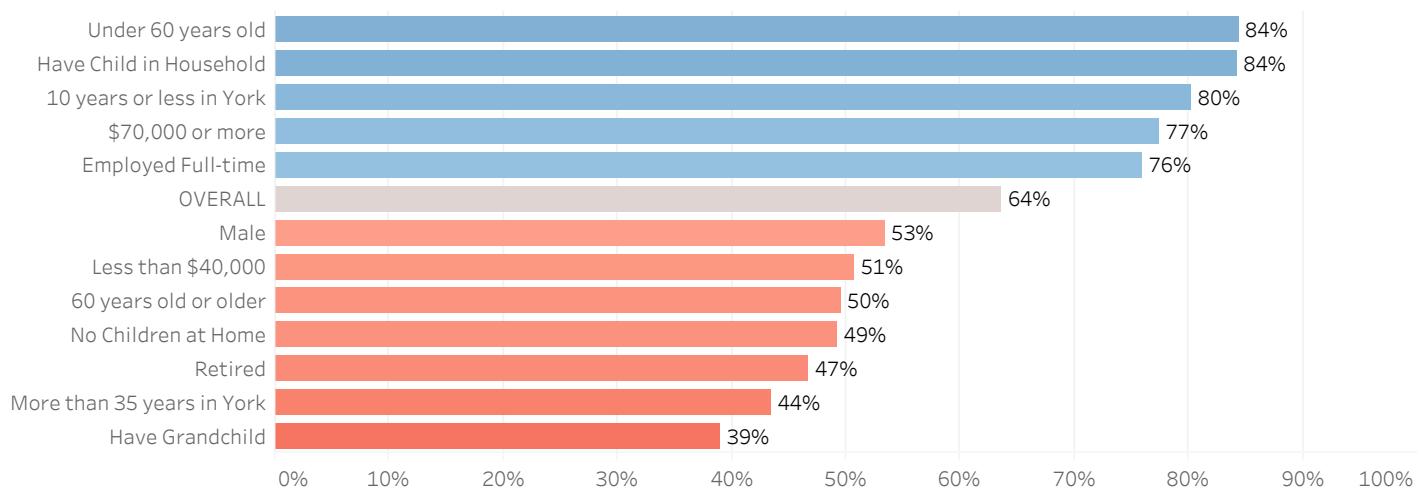

### Arts and cultural programs

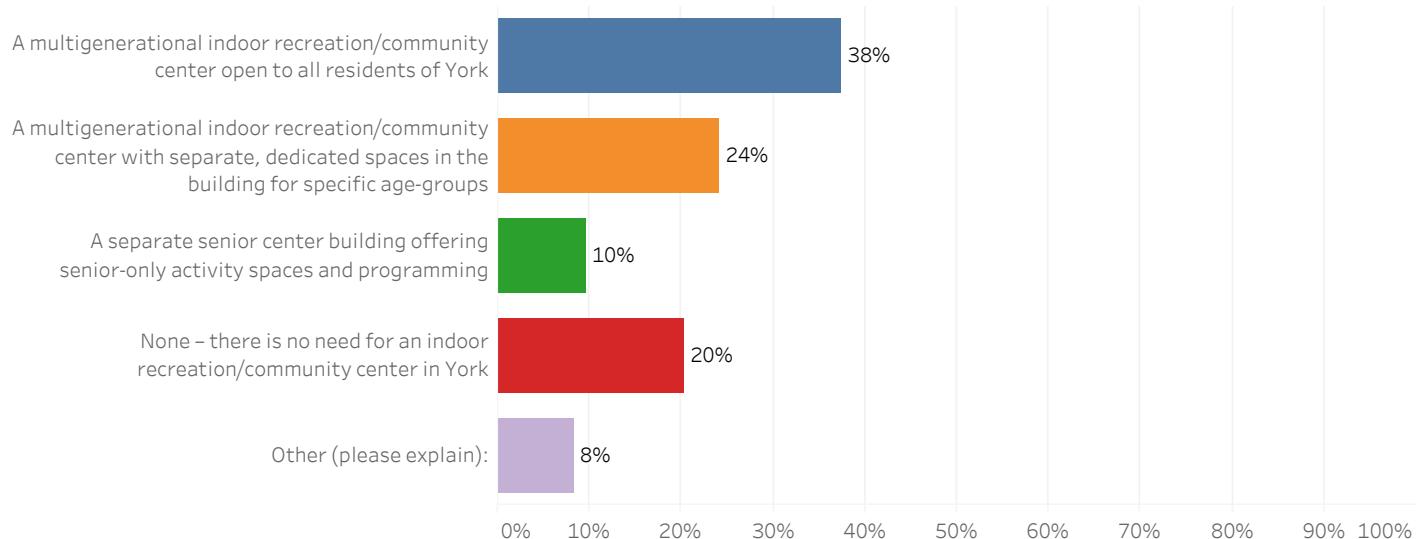

To what extent do you agree or disagree with the following statement: "York needs a town-supported indoor recreation/community center to meet the recreation needs of York residents"

Strongly or somewhat agree York needs a town-supported indoor recreation/community center to meet the recreation needs of York residents - By Selected Demographics

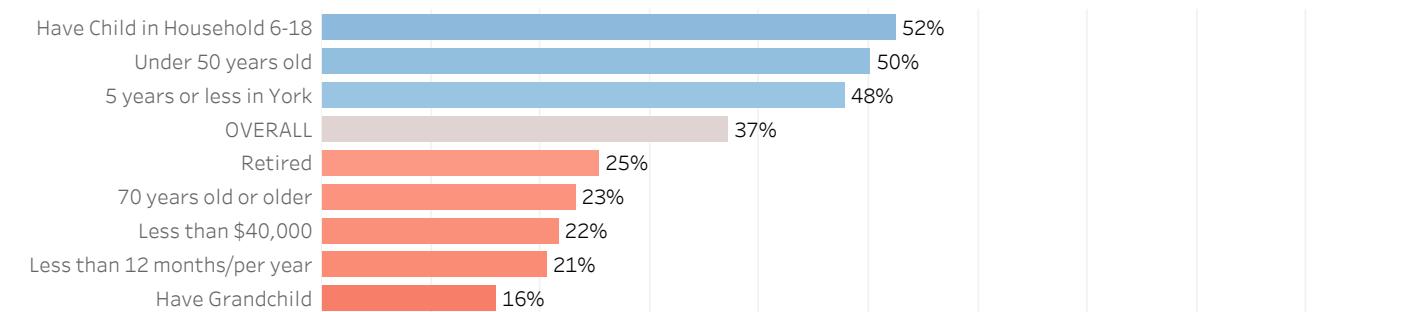

**If you could prioritize ONE of the options below, which would you choose?**

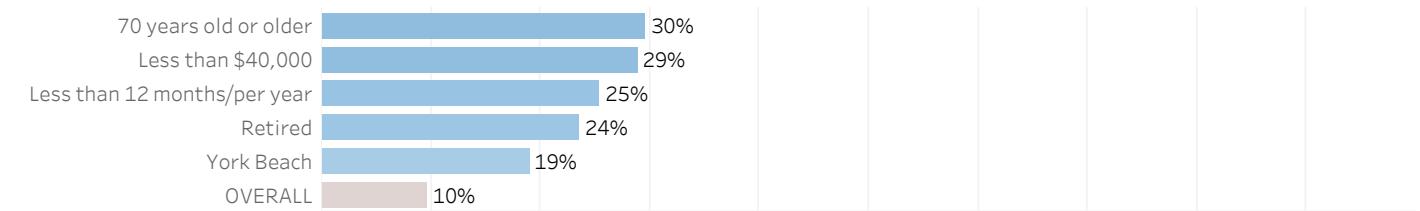

**If you could prioritize ONE of the options below, which would you choose? - By Selected Demographics**

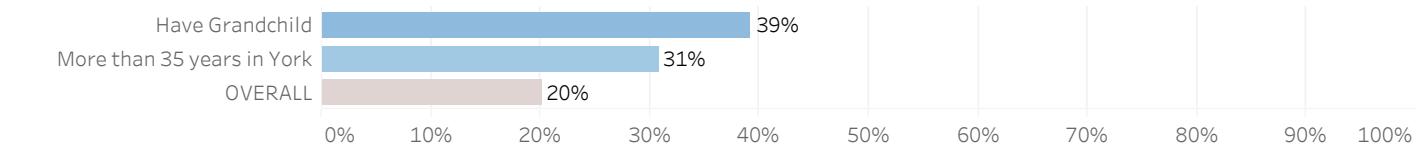

**A multigenerational indoor recreation/community center open to all residents of York**

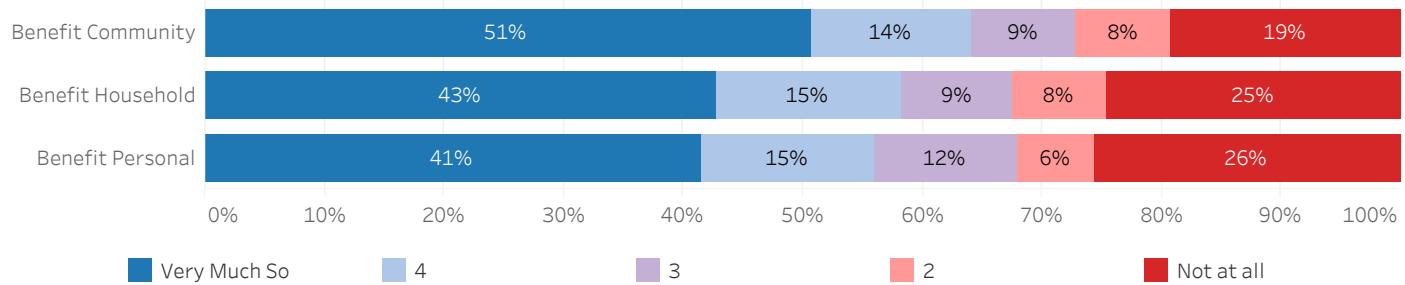

**A separate senior center building offering senior-only activity spaces and programming**

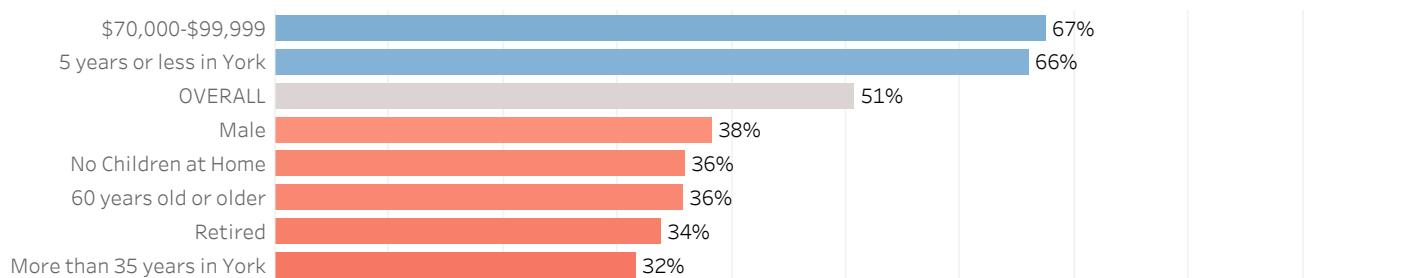

**None – there is no need for an indoor recreation/community center in York**

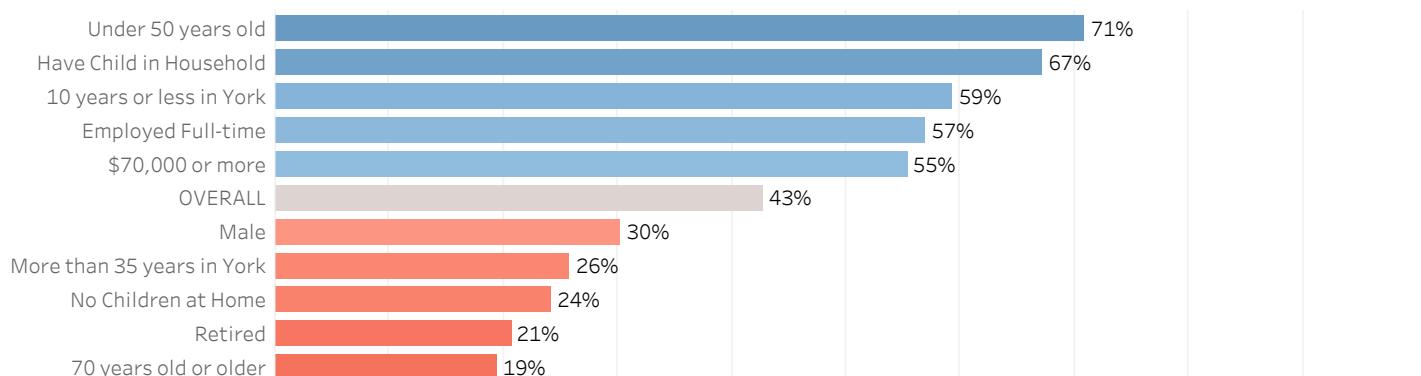

How much do you feel the following would benefit from a town-supported indoor recreation/community center in York?

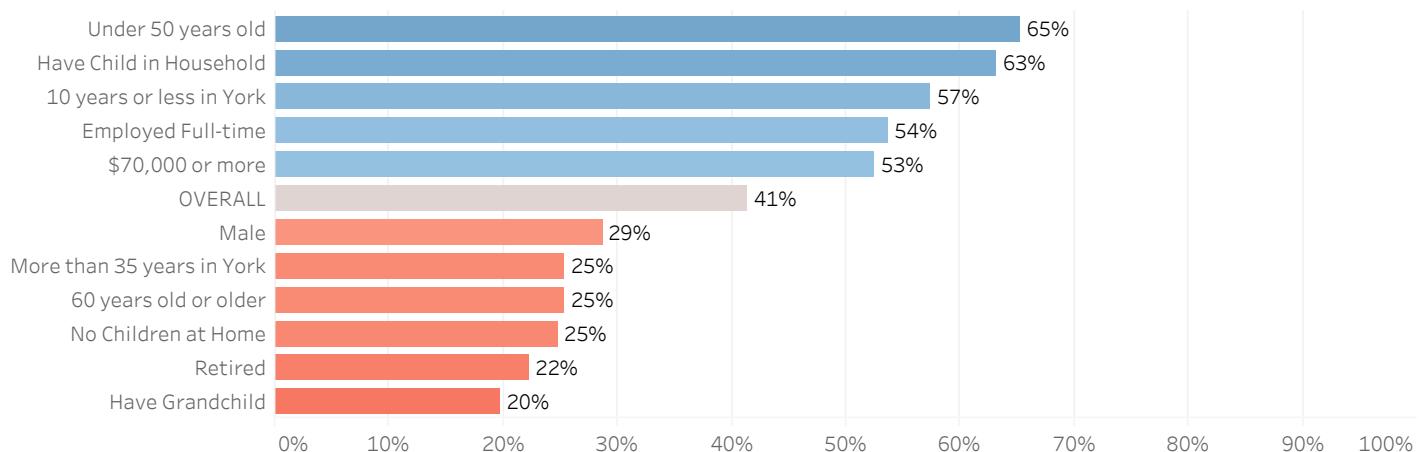

Feel community would benefit very much from a town-supported indoor recreation/community center in York - By Selected Demographics

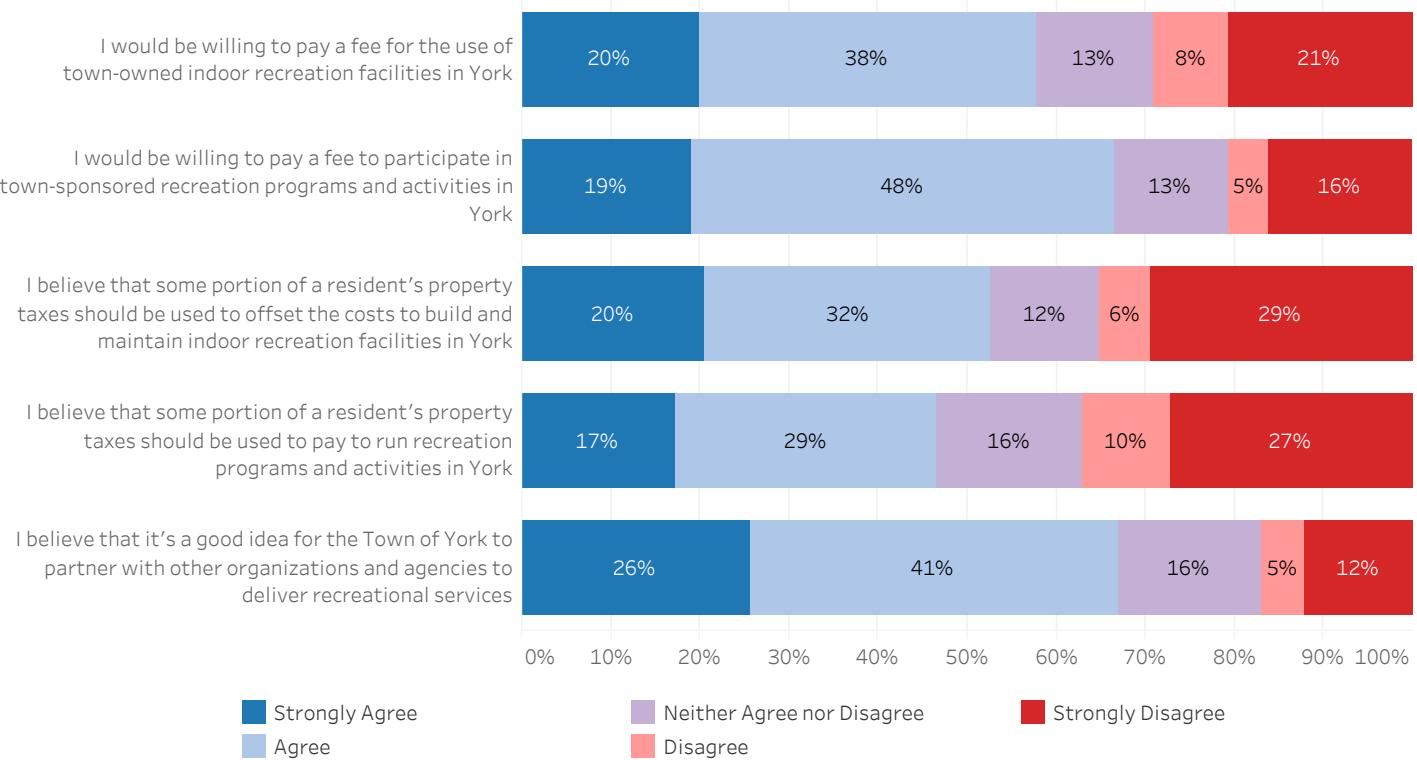

Feel household would benefit very much from a town-supported indoor recreation/community center in York - By Selected Demographics

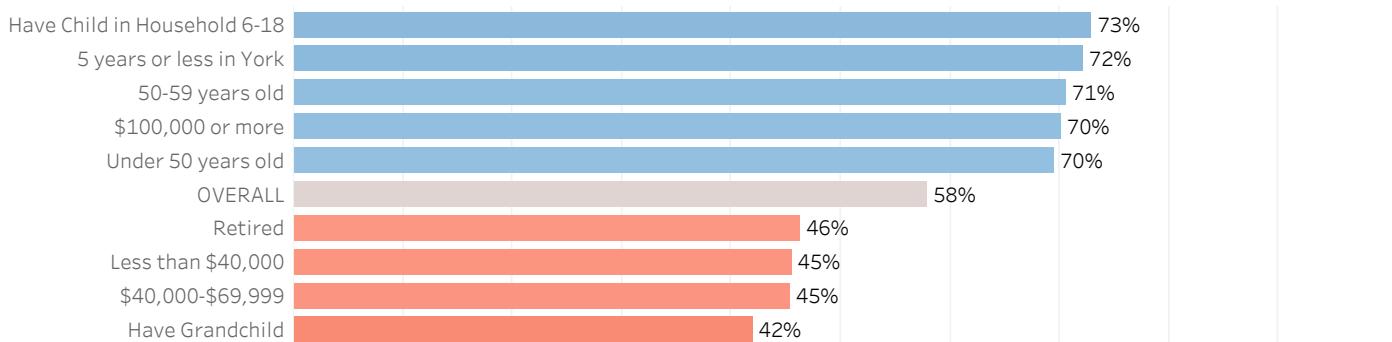

Feel would personally benefit very much from a town-supported indoor recreation/community center in York - By Selected Demographics

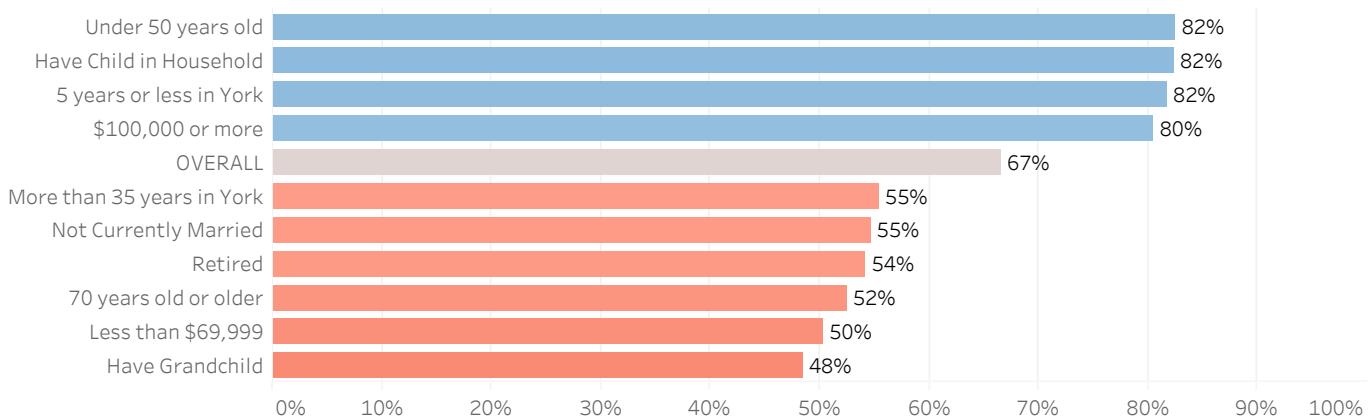

## Agree or Disagree with Possible Funding Sources

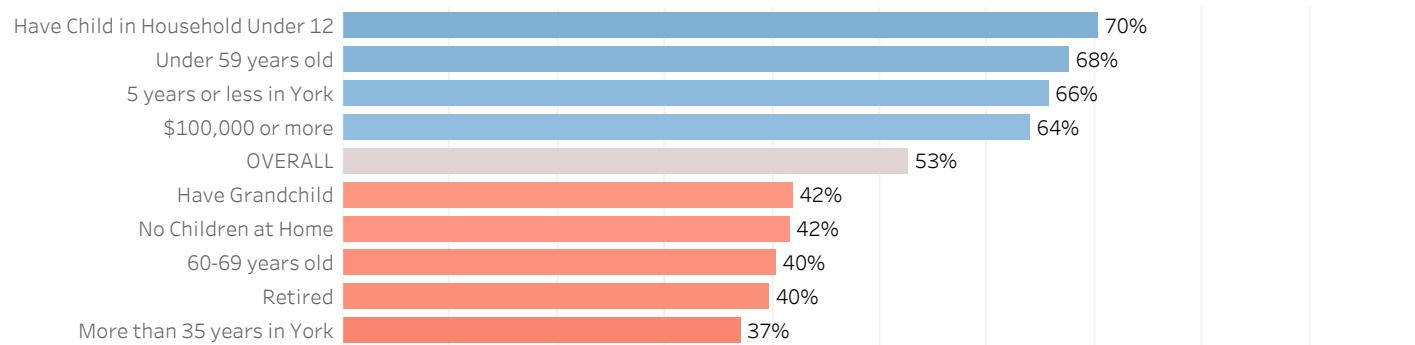

## Strongly Agree or Agree would be willing to pay a fee for the use of town-owned indoor recreation facilities in York - By Selected Demographics

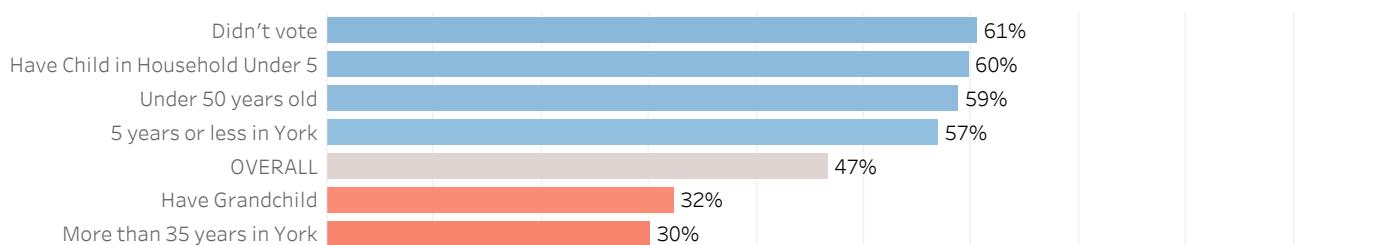

## Strongly Agree or Agree would be willing to pay a fee to participate in town-sponsored recreation programs and activities in York - By Selected Demographics

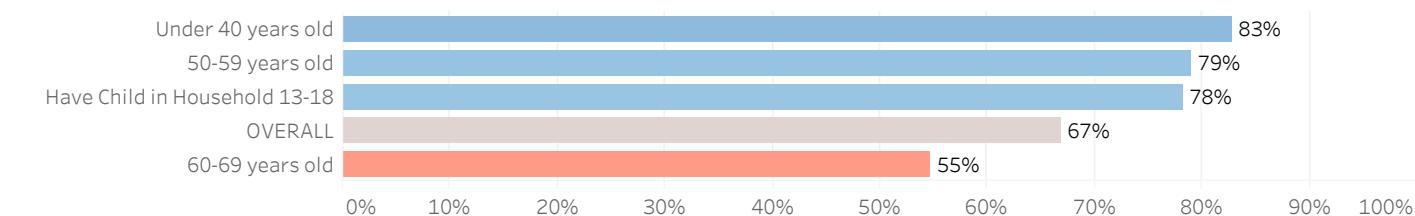

**Strongly Agree or Agree that some portion of a resident's property tax should be used to offset the costs to build and maintain indoor recreation facilities in York - By Selected Demographics**

**Strongly Agree or Agree that some portion of a resident's property tax should be used to pay to run recreation programs and activities in York - By Selected Demographics**

**Strongly Agree or Agree that it's a good idea for the Town of York to partner with other organizations and agencies to deliver recreation services - By Selected Demographics**

Section I - VES: Which of the following York facilities and properties do you or other members of your household use or attend events in for recreational purposes? Village Elementary School
