Curbside Trash and Mandatory Recycling Schedule

Please locate your street below to determine your recycling day.
Please note that despite any accidental omissions in this guide
YOUR TRASH AND RECYCLING COLLECTION DAY WILL NOT CHANGE
(changes will occur due to Holidays & Inclement Weather ONLY)

The Town of York does not supply Trash and Recycling containers.
Trash containers need to be 64 gallons or less.
Recycle bins need to be 35 gallons or less.
Recycling items need to be dry, clean & loose within the recycling bin - not bagged.
The best recycling container is a covered container.
Covered containers protect recyclables from water contamination.

Street names with asterisks(*) = no curbside pickup service provided on road.
Trash must be placed at the end of road.
