FOUR: The Town hereby ordains to amend the **Zoning Ordinance**, specifically by amending Article 16- Sign Standards. (Copies of the full text of the proposed amendment are available from the Town Clerk.)

~~16.4.1 Except as prohibited in section 16.9 of this ordinance. Externally and internally illuminated signs shall be illuminated only by steady, stationary, shielded light sources directed solely on the sign without causing glare. Illuminated Signs. Illuminated signs shall be illuminated externally only, from sources that are shielded, steady and stationary, with no exposed source of illumination. The intensity of light shall remain constant in color, location, and brightness and meet the light levels specified below. Externally illuminated signs shall also meet the following standards:~~

- ~~a. All externally illuminated signs shall only be lighted by top-mounted shielded lights pointed downward directly on the sign. Signs shall not be illuminated from upward transmission of light.~~
- ~~b. Light sources to illuminate signs shall neither be visible from any street right-of-way, nor cause glare (as defined in Article Ten-H) hazardous or distracting to pedestrians, vehicle drivers, or adjacent properties.~~
- ~~c. No more than 0.2 foot-candle of light shall be detectable at the boundary of any abutting property.~~

~~16.4.4 Illuminated signs shall be constructed and erected in such a manner as to deflect light away from residential properties and public roads.~~

~~16.9.3 Flashing, moving or animated signs, movable electric signs, changeable signs, intermittently lit signs, digital, and signs with variable color lighting or signs that display electronic images or video are not permitted. Signs indicating fuel prices, time and/or temperature are permitted provided they meet the other provisions of this Section.~~
