Application as a storefront property owner having 100' of frontage on the water and owning a vessel, must include a copy of deed to storefront in question, lot and map number, book and page number, and map indicating location of property. Land fronting the water should be staked in such a manner that it is readily visible from the water.

Laws governing the assignment and use of moorings in York Harbor can be picked up at the York Town Hall.

If this property is sold, its assigned mooring space reverts to the TOWN OF YORK for reassignment to the new property owner if he requests such.
